RE: Enhanced cell phone policy

Dear Parents/Guardians of KMHS Students

In keeping with our “no cell phones in the classroom” policy, KMHS will be instituting an enhanced measure to ensure compliance.

Beginning Monday, October 10, 2022, all students will be asked to give their cell phones and ear buds to their teacher at the beginning of each class and they will be returned at the end of each class. We have protocols in place to ensure the privacy, safety and security of all students is met, including storing the cell phones in a cell phone organizer that is numbered and corresponds to each student’s seat.

This enhanced policy will help to mitigate classroom distractions and create an environment that is more conducive to learning for all students in the classroom.

Non-compliance to the new enhanced policy will result in students having to leave their cell phone and ear buds at the main office and pick them up at the end of the day.

KMHS greatly appreciates your continued support and understanding in making our school a place where students can excel and learn in an environment that is free from distractions.

Sincerely,

Jeff Lefke
KMHS Principal
