

Dear JNES PreK, Kindergarten, 1st, and 2nd Grades,

Please read the following information regarding continued instruction for students in grades **PreK through 2nd Grade.**

During this time of the public health emergency dealing with COVID-19, we know that information is changing daily regarding the Corona Virus and how it impacts our community. We are committed to our students and our school community.

Beginning March 25, we will begin delivering instruction to students via distance delivery. The teachers at JNES have put together packets of lessons our students. Along with the packets, teachers will meet with students in each grade level using GCI phone in conferencing at designated times each day. Please see the schedule below for the time your student may call in to meet with their grade level teachers. The directions for joining the conference are below.
