February 15, 2022

Kiana school is currently operating in the **Red High-Risk** operational zone until further notice due to the other factors (Factor 6 — see below).

All other schools are currently operating in the **Green Low-Risk** operational zone.

To date, the NWABSD has had:

5 Possible classroom/school transmission (2 or more students/staff diagnosed w/ COVID)

8 Students/staff diagnosed with COVID upon return from out-of-region District sponsored travel

School risk operational zones are determined on an individual school basis in coordination with Maniilaq Health, local village leaders, and NWABSD Administration. Factors for changing risk operational zones include:

1. The level of case impact to the community,
2. The level of community transmission,
3. The level of community compliance to current mandates,
4. Vaccination coverage,
5. Availability of staff, and
6. Other.

See the chart below for risk level statuses by school:
