 PO Box 51 · Kotzebue, Alaska 99752 · Phone (907) 442-1800

September 28, 2020

Selawik Davis-Ramoth Memorial and Shungnak Schools are currently operating in **Red – High Risk** until further notice due to the availability of staff (6). Maniilaq Health has reported 0 COVID-19 positive in-village cases in the last 14 days.

June Nelson Elementary School, Kotzebue Middle High School, and STAR Magnet School are currently operating in **Red – High Risk** operational zone until further notice due to the of number of positive cases (1) and the level of case impact to the community (2). Maniilaq Health has reported 9 COVID-19 positive in-village cases that have impact to the community in the last 14 days.

Kiana School and Noatak Napaaqtugmiut School are currently operating in **Red – High Risk** operational zones until further notice due to the of number of positive cases (1), and the possible level of case impact to the community (2). Maniilaq Health has reported 1 COVID-19 positive in-village case in each village in the last 14 days.

Buckland School is currently operating in **Red – High Risk** operational zone until further notice due to the of number of positive cases (1). Maniilaq Health has reported 13 COVID-19 positive in-village cases in the last 14 days and signs of community spread.

All other NWABSD schools are currently operating in **Yellow – Medium Risk** operational zone until further notice to practice, refine, and rehearse safety procedures. Maniilaq Health has reported no community spread and no COVID-19 positive in-village cases in the last 14 days.

No NWABSD schools are currently operating in **Green – Low Risk** operational zone.

School risk operational zones are determined on an individual school basis in coordination with Maniilaq Health, local village leaders, and NWABSD Administration. Factors for changing risk operational zones include:

1. The number of positive cases,
2. The level of case impact to the community,
3. Number of quarantined cases,
4. The level of community compliance to current mandates,
5. Level of travel for residents, and
6. Availability of staff.

= Current Maniilaq Health status of positive quarantined in each village COVID-19 cases in the last 14 days.

Location	Number of Positive In-Village COVID-19 Cases in a 14 Day Period (Number of Cases per 100,000)
