4. *The Subrogation, Third-Party Recovery and Reimbursement section of the Plan is hereby deleted and replaced as shown in Exhibit A.*
5. *The definition of Usual and Customary Charge (U&C) under the Definitions section is hereby deleted and replaced with the following:*

DEFINITIONS

Usual and Customary Charge (U&C) means, with respect to Non-Participating Providers, charges made for medical or dental services or supplies essential to the care of the individual that will be subject to a Usual and Customary determination. Subject to the rest of this definition, the Usual and Customary Charge means the lesser of the charge by other providers in the same geographic area or billed charges for the same or comparable service or supply. From time to time, the Plan may enter into an agreement with a Non-Participating Provider (directly or indirectly through a third party) which sets the rate the Plan will pay for a

service or supply. In these cases the Usual and Customary Charge will be the rate established in such agreement with the Non-Participating Provider.

The Plan may reduce the Usual and Customary Charge by applying reimbursement policies administered by the Plan's Third Party Administrator. These reimbursement policies address the appropriate billing of services, taking into account factors that are relevant to the cost of the service such as:

- (1) The duration and complexity of a service;
- (2) Whether multiple procedures are billed at the same time but no additional overhead is required;
- (3) Whether an Assistant Surgeon is involved and necessary for the service;
- (4) If follow up care is included;
- (5) Whether there are any other characteristics that may modify or make a particular service unique; and
- (6) When a charge includes more than one claim line, whether any services described by a claim line are part of or incidental to the primary service provided.

The reimbursement policies utilized are based on review of the policies developed for Medicare; the generally accepted standards of medical and dental practice, which are based on credible scientific evidence published in peer-reviewed literature generally recognized by the relevant medical or dental community or which are otherwise consistent with Physician or dental specialty society recommendations; and the views of Physicians and Dentists practicing in the relevant clinical areas.

All other provisions of this Plan shall remain unchanged.

In Witness Whereof, Northwest Arctic Borough School District has caused this Amendment to take effect, be attached to, and form a part of their Health Care Plan.

EXHIBIT A

SUBROGATION, THIRD-PARTY RECOVERY AND REIMBURSEMENT

Payment Condition

- (1) The Plan, in its sole discretion, may elect to conditionally advance payment of benefits in those situations where an Injury, Illness, disease or disability is caused in whole or in part by, or results from the acts or omissions of you and/or your Dependents, plan beneficiaries and/or their Dependents, beneficiaries, estate, heirs, guardian, personal representative, or assigns (collectively referred to hereinafter in this section as "Covered Person") or a third party, where any party besides the Plan may be responsible for expenses arising from an incident, and/or other insurance or other funds are available, including but not limited to no-fault, uninsured motorist, underinsured motorist, medical payment provisions, third party assets, third party insurance, and/or guarantor(s) of a third party (collectively "Coverage").
- (2) The Covered Person, his or her attorney, and/or legal guardian of a minor or incapacitated individual agrees that acceptance of the Plan's conditional payment of medical benefits is constructive notice of these provisions in their entirety and agrees to maintain 100% of the Plan's conditional payment of benefits or the full extent of payment from any one or combination of first and third party sources in trust, without disruption except for reimbursement to the Plan or the Plan's assignee. By accepting benefits the Covered Person agrees the Plan shall have an equitable lien on any funds received by the Covered Person and/or their attorney from any source and said funds shall be held in trust until such time as the obligations under this provision are fully satisfied. The Covered Person agrees to include the Plan's name as a co-payee on any and all settlement drafts. Further, by accepting benefits the Covered Person understands that any recovery obtained pursuant to this section is an asset of the Plan to the extent of the amount of benefits paid by the Plan and that the Covered Person shall be a trustee over those Plan assets.
- (3) In the event a Covered Person settles, recovers or is reimbursed by any Coverage, the Covered Person agrees to reimburse the Plan for all benefits paid or that will be paid by the Plan on behalf of the Covered Person. If the Covered Person fails to reimburse the Plan out of any judgment or settlement received, the Covered Person will be responsible for any and all expenses (fees and costs) associated with the Plan's attempt to recover such money.
- (4) If there is more than one party responsible for charges paid by the Plan, or may be responsible for charges paid by the Plan, the Plan will not be required to select a particular party from whom reimbursement is due. Furthermore, unallocated settlement funds meant to compensate multiple injured parties of which the Covered Person is/are only one or a few, that unallocated settlement fund is considered designated as an "identifiable" fund from which the Plan may seek reimbursement.

Subrogation

- (1) As a condition to participating in and receiving benefits under this Plan, the Covered Person agrees to assign to the Plan the right to subrogate and pursue any and all claims, causes of action or rights that may arise against any person, corporation or entity and to any Coverage to which the Covered Person is entitled, regardless of how classified or characterized, at the Plan's discretion, if the Covered Person fails to so pursue such rights or action.
- (2) If a Covered Person receives or becomes entitled to receive benefits, an automatic equitable lien attaches in favor of the Plan to any claim, which any Covered Person may have against any Coverage and/or party causing the Illness or Injury to the extent of such conditional payment by the Plan plus reasonable costs of collection. The Covered Person is obligated to notify the Plan or its authorized representative of any settlement prior to finalization of the settlement, execution of a release, or receipt of applicable funds. The Covered Person is also obligated to hold any and all funds so received in trust on the Plan's behalf and function as a trustee as it applies to those funds until the Plan's rights described herein are honored and the Plan is reimbursed.

- (3) The Plan may, at its discretion, in its own name or in the name of the Covered Person, commence a proceeding or pursue a claim against any party or Coverage for the recovery of all damages to the full extent of the value of any such benefits or conditional payments advanced by the Plan.
- (4) The Covered Person authorizes the Plan to pursue, sue, compromise and/or settle any such claims in the Covered Persons and/or the Plan's name and agrees to fully cooperate with the Plan in the prosecution of any such claims if the Covered Person fails to file a claim or pursue damages against:
 - (a) The responsible party, its insurer or any other source on behalf of that party;
 - (b) Any first party insurance through medical payment coverage, personal injury protection, no-fault coverage, uninsured or underinsured motorist coverage;
 - (c) Any policy of insurance from any insurance company or guarantor of a third party;
 - (d) Workers' Compensation or other liability insurance company; or
 - (e) Any other source, including but not limited to crime victim restitution funds, any medical, disability or other benefit payments and school insurance coverage.

The Covered Person assigns all rights to the Plan or its assignee to pursue a claim and the recovery of all expenses from any and all sources listed above.

Right of Reimbursement

- (1) The Plan shall be entitled to recover 100% of the benefits paid, without deduction for attorneys' fees and costs or application of the common fund doctrine, make whole doctrine, or any other similar legal theory, without regard to whether the Covered Person is fully compensated by his or her recovery from all sources. The Plan shall have an equitable lien which supersedes all common law or statutory rules, doctrines, and laws of any State prohibiting assignment of rights which interferes with or compromises in any way the Plan's equitable lien and right to reimbursement. The obligation to reimburse the Plan in full exists regardless of how the judgment or settlement is classified and whether or not the judgment or settlement specifically designates the recovery or a portion of it as including medical, disability, or other expenses. If the Covered Persons' recovery is less than the benefits paid, then the Plan is entitled to be paid all of the recovery achieved. Any funds received by the Covered Person are deemed held in constructive trust and should not be dissipated or disbursed until such time as the Covered Person's obligation to reimburse the Plan has been satisfied in accordance with these provisions. The Covered Person is also obligated to hold any and all funds so received in trust on the Plan's behalf and function as a trustee as it applies to those funds until the Plan's rights described herein are honored and the Plan is reimbursed.
- (2) No court costs, experts' fees, attorneys' fees, filing fees, or other costs or expenses of litigation may be deducted from the Plan's recovery without the prior, express written consent of the Plan.
- (3) The Plan's right of subrogation and reimbursement will not be reduced or affected as a result of any fault or claim on the part of the Covered Person, whether under the doctrines of causation, comparative fault or contributory negligence, or other similar doctrine in law. Accordingly, any lien reduction statutes, which attempt to apply such laws and reduce a subrogating Plan's recovery will not be applicable to the Plan and will not reduce the Plan's reimbursement rights.
- (4) These rights of subrogation and reimbursement shall apply without regard to whether any separate written acknowledgment of these rights is required by the Plan and signed by the Covered Person.
- (5) This provision shall not limit any other remedies of the Plan provided by law. These rights of subrogation and reimbursement shall apply without regard to the location of the event that led to or caused the applicable Illness, Injury, Disease or disability.

Covered Person is a Trustee Over Plan Assets

- (1) Any Covered Person who receives benefits and is therefore subject to the terms of this section is hereby deemed a recipient and holder of Plan assets and is therefore deemed a trustee of the Plan solely as it relates to possession of any funds which may be owed to the Plan as a result of any settlement, judgment or recovery through any other means arising from any Injury or Accident. By virtue of this status, the Covered Person understands that he/she is required to:
 - (a) Notify the Plan or its authorized representative of any settlement prior to finalization of the settlement, execution of a release, or receipt of applicable funds;
 - (b) Instruct his/her attorney to ensure that the Plan and/or its authorized representative is included as a payee on all settlement drafts;
 - (c) In circumstances where the Covered Person is not represented by an attorney, instruct the insurance company or any third party from whom the Covered Person obtains a settlement, judgment or other source of Coverage to include the Plan or its authorized representative as a payee on the settlement draft; and,
 - (d) Hold any and all funds so received in trust, on the Plan's behalf, and function as a trustee as it applies to those funds, until the Plan's rights described herein are honored and the Plan is reimbursed.
- (2) To the extent the Covered Person disputes this obligation to the Plan under this section, the Covered Person or any of its agents or representatives is also required to hold any/all settlement funds, including the entire settlement if the settlement is less than the Plan's interests, and without reduction in consideration of attorneys' fees, for which he/she exercises control, in an account segregated from their general accounts or general assets until such time as the dispute is resolved.
- (3) No Covered Person, beneficiary, or the agents or representatives thereof, exercising control over plan assets and incurring trustee responsibility in accordance with this section will have any authority to accept any reduction of the Plan's interest on the Plan's behalf.

Excess Insurance

If at the time of Injury, Illness, disease or disability, there is available or potentially available any coverage (including but not limited to coverage resulting from a judgment at law or settlements), the benefits under this Plan shall apply only as an excess over such other sources of coverage, except as otherwise provided for under the Plan's "Coordination of Benefits" section.

The Plan's benefits shall be excess to any of the following:

- (1) The responsible party, its insurer or any other source on behalf of that party;
- (2) Any first party insurance through medical payment coverage, personal injury protection, no-fault coverage, uninsured or underinsured motorist coverage;
- (3) Any policy of insurance from any insurance company or guarantor of a third party;
- (4) Workers' Compensation or other liability insurance company; or
- (5) Any other source, including but not limited to crime victim restitution funds, any medical, disability or other benefit payments and school insurance coverage.

Separation of Funds

Benefits paid by the Plan, funds recovered by the Covered Person and funds held in trust over which the Plan has an equitable lien exist separately from the property and estate of the Covered Person, such that the death of the Covered Person or filing of bankruptcy by the Covered Person, will not affect the Plan's equitable lien, the funds over which the Plan has a lien or the Plan's right to subrogation and reimbursement.

Wrongful Death

In the event that the Covered Person dies as a result of his or her Injuries and a wrongful death or survivor claim is asserted against a third party or any Coverage, the Plan's subrogation and reimbursement rights shall still apply, and the entity pursuing said claim shall honor and enforce these Plan rights and terms by which benefits are paid on behalf of the Covered Person(s) and all others that benefit from such payment.

Obligations

- (1) It is the Covered Person's obligation at all times, both prior to and after payment of medical benefits by the Plan:
 - (a) To cooperate with the Plan or any representatives of the Plan, in protecting its rights, including discovery, attending depositions and cooperating in trial to preserve the Plan's rights;
 - (b) To provide the Plan with pertinent information regarding the Illness, disease, disability or Injury, including Accident reports, settlement information and any other requested additional information;
 - (c) To take such action and execute such documents as the Plan may require to facilitate enforcement of its subrogation and reimbursement rights;
 - (d) To do nothing to prejudice the Plan's rights of subrogation and reimbursement;
 - (e) To promptly reimburse the Plan when a recovery through settlement, judgment, award or other payment is received;
 - (f) To notify the Plan or its authorized representative of any settlement prior to finalization of the settlement;
 - (g) To not settle or release, without the prior consent of the Plan, any claim to the extent that the Covered Person may have against any responsible party or coverage;
 - (h) To instruct his/her attorney to ensure that the Plan or its authorized representative is included as a payee on any settlement draft;
 - (i) In circumstances where the Covered Person is not represented by an attorney, instruct the insurance company or any third party from whom the Covered Person obtains a settlement to include the Plan or its authorized representative as a payee on the settlement draft; and
 - (j) To make good faith efforts to prevent disbursement of settlement funds until such time as any dispute between the Plan and Covered Person over settlement funds is resolved.
- (2) If the Covered Person and/or his or her attorney fails to reimburse the Plan for all benefits paid or to be paid, as a result of said Injury or condition, out of any proceeds, judgment or settlement received, the Covered Person will be responsible for any and all expenses (whether fees or costs) associated with the Plan's attempt to recover such money from the Covered Person.
- (3) The Plan's rights to reimbursement and/or subrogation are in no way dependent upon the Covered Persons' cooperation or adherence to these terms.

Offset

If timely repayment is not made, or the Covered Person and/or his or her attorney fails to comply with any of the requirements of the Plan, the Plan has the right, in addition to any other lawful means of recovery, to deduct the value of the Covered Person's amount owed to the Plan. To do this, the Plan may refuse payment of any future medical benefits and any funds or payments due under this Plan on behalf of the Covered Person in an amount equivalent to any outstanding amounts owed by the Covered Person to the Plan. This provision applies even if the Covered Person has disbursed settlement funds.

Minor Status

- (1) In the event the Covered Person is a minor as that term is defined by applicable law, the minor's parents or court-appointed guardian shall cooperate in any and all actions by the Plan to seek and obtain requisite court approval to bind the minor and his or her estate insofar as these subrogation and reimbursement provisions are concerned.
- (2) If the minor's parents or court-appointed guardian fail to take such action, the Plan shall have no obligation to advance payment of medical benefits on behalf of the minor. Any court costs or legal fees associated with obtaining such approval shall be paid by the minor's parents or court-appointed guardian.

Language Interpretation

The Plan Sponsor retains sole, full and final discretionary authority to construe and interpret the language of this provision, to determine all questions of fact and law arising under this provision and to administer the Plan's subrogation and reimbursement rights.

Severability

In the event that any section of this provision is considered invalid or illegal for any reason, said invalidity or illegality shall not affect the remaining sections of this provision and Plan. The section shall be fully severable. The Plan shall be construed and enforced as if such invalid or illegal sections had never been inserted in the Plan.

Notwithstanding anything contained herein to the contrary, to the extent this Plan is not governed by ERISA, the Plan's right to subrogation and reimbursement may be subject to applicable State subrogation laws.
