

# NORTHWEST ARCTIC BOROUGH SCHOOL DISTRICT

## Parent/Guardian and K-4 Student iPad Contract

Northwest Arctic Borough School District fully expects that all members of the school community will use the technology systems (including iPads) in a responsible, appropriate, and legal manner during class times/non-class time, on campus and off.

Each iPad is assigned to one student only. DO NOT allow others to use your iPad.

Only one account assigned by NWABSD is to be used on your iPad. Students will not create or use additional accounts on their iPads.

The school's internet connection should be used for research or information gathering that is directly related to academic assignments or extracurricular projects supervised by NWABSD faculty.

Blocked websites such as Facebook, Twitter, Instagram, and other blocked websites may not be accessed from the school district internet at any time.

Any account which bypasses management or security may result in the immediate loss of the iPad. This includes the use of any website which allows users to bypass web/internet, proxy, or other restrictions.

Students may access only those files that belong to them or that they have been given permission to use. Without explicit authorization, students may not touch or use another person's iPad. Using your login to access another iPad is strictly prohibited.

Students are expected to follow all copyright laws. The sharing or transferring of copyrighted materials is prohibited. This activity is illegal and may result in the loss of the iPad for everyone involved. Music stored on individual iPads will be assumed by the district to be owned by the student. The student will be responsible for any copyright violations, should the district officials learn otherwise. The district will not be monetarily responsible for any copyright infringements on student machines.

**When in doubt, ask first.**

iPads and related equipment belong to and are distributed by the school.

Access to Northwest Arctic Borough School District iPad systems is a privilege not a right. Violating the letter or spirit of the above regulations may be cause for denial of student access to Northwest Arctic Borough School District iPad systems, and/or may result in more serious disciplinary action(s). The Northwest Arctic Borough School District retains the authority to amend this contract as needed. This contract does not preclude further restrictions that are not specifically stated.
